

grip gloves

by toesox®

hand measuring guide

- Print this page. Be sure to print at 100% scale.
- Put a CREDIT CARD in the test box. If the card does not fit snugly in the box, DO NOT use these measurements, check your print settings and try again.
- Place this page on a hard surface.
- Keep fingers together and line up knuckle of first finger along bold black line. *(Do not put a lot of weight on hand as this causes hand to widen on surface)*
- Look in which shaded bar outside of palm fits to determine size of glove.

CREDIT CARD TEST BOX

Put a CREDIT CARD in a the test box.

If the card doesn't fit snugly in the box, check your print settings and try again.
